

# Angel's Nest Childcare | Parent Handbook 2026

## Where Little Hearts Learn, Grow, and Belong

### Program

Angel's Nest Childcare is a licensed family early learning program in Seattle. The program supports children from infancy through preschool in a warm, safe, home-like environment.

### Seattle Preschool Program

Angel's Nest Childcare is proud to participate in the Seattle Preschool Program (SPP). The preschool program supports school readiness, strong relationships, and high-quality early learning experiences.

### The Creative Curriculum

We use The Creative Curriculum to guide purposeful play, hands-on exploration, and individualized learning. Children learn through relationships, routines, investigation, art, movement, music, stories, conversations, and learning centers.

### Health & Safety

Our program follows Washington State licensing requirements, maintains safe and clean routines, prepares for emergencies, and communicates promptly with families regarding health concerns.

### Tuition & Hours

Tuition is \$1,200 biweekly for all ages. Hours: Monday–Thursday 7:30 AM–5:30 PM; Friday 7:30 AM–5:00 PM.

### Daily Schedule

Part of Day	Activity
Morning Arrival	Warm greetings, learning centers, and free play.
Circle Time	Songs, calendar, group discussion, and community building.
Morning Snack	Healthy snack and conversation before learning time.
Learning Time	Creative Curriculum activities, literacy, math, science, art, and small groups.
Story Time	Interactive read-alouds and vocabulary building.
Outdoor Play	Fresh air, gross motor development, exploration, and active play.
Lunch	Healthy meal, conversation, and self-help skills.
Rest Time	Quiet rest and relaxation.
Afternoon Snack	Nutritious snack after rest time.
Afternoon Activities	Choice time, music, art, sensory play, and departures.

Note: The schedule may change based on children's needs, weather, special activities, field trips, rest needs, developmental levels, or licensing requirements.
